# Tour Introduction

Twelve Pilgrims Travel warmly welcomes you to an inspiring 9-day, 8-night Musalaha encounter in the Holy Land, created together with Boundary Breakers.

*This is a very important and timely opportunity for those engaged in community cohesion and the wider Reconciliation Movement to engage at first hand with the challenges of conflict resolution in a complex and fast moving situation.*

*This is primarily a study tour offering insights and fresh understanding gleaned from over 30 years of pioneering “conflict resolution delivery” set against the intense backdrop of the Israeli/Palestinian violent conflict.*

*Thankfully we can draw upon the lived and endured experience of a range of living stones committed to a just and lasting peace based on Biblical principles. To a large extent we will draw on the renowned work of Musalaha.*

Rev Andrew Corsie  
Former Area Director of Ministry, Diocese of London

# Tour Introduction

The purpose of this study tour is to:

**Connect** with and learn from the “living Stones” ministering in the Land today including Israeli Jewish followers of Jesus and Palestinian Christians.

**Appreciate** the cultural, social, and political context in which Jesus the Messiah birthed his mission.

**Better understand** the narratives both Israeli and Palestinian, that divide this Holy Land and continue to impact on our world.

**Return** home more informed and better equipped to serve our communities.

This programme is not only designed to inform but also to challenge much of our thinking.
